If all Olympiad 2022 national team members qualify to World Cup by other paths or decline participation, the spot can be given to any other player.

4. 2. Pairings

4. 2. 1. The pairings shall be announced not later than 14 days before the beginning of World Cup, unless the FIDE President decides otherwise due to a force majeure.

4. 2. 2. For purposes of pairings the players shall be seeded according to the most recent FIDE standard rating list as per the moment when the pairings are announced. In case of equality of two or more players, the player with the bigger number of games played during the period covered by the list shall be seeded higher. 4.3.2. In the first game of Round 2, each winner of Round 1 shall have the colour opposite to the colour that in his/her previous match the higher seeded player had in the first game. Thus, if the lower seeded player wins any match, he/she shall automatically assume in the next round the colour position of his/her eliminated opponent.

4.3.3. For Rounds 3-7 and the Final the procedure described in [Article 4.3.2](#) shall apply.
